

1 A wide range of plans and coverage choices

We can help you choose the right plan for your lifestyle and budget and see if you qualify for a Marketplace plan, which could include a tax credit (subsidy) to help pay your monthly premium. All of our plans cover everyday health care, unexpected accidents or sickness and prescription drugs.

3 Services and tools to help manage costs

At floridablue.com and on the Florida Blue mobile app, you'll find tools to estimate costs for medical care and prescription drugs. If you prefer to talk to someone, you can call customer service, contact your local Florida Blue Center or a care consultant. We can help you get the care you need at the lowest cost.

5 Benefits that keep you covered at \$0

You'll get many services at no extra cost.² When you choose a doctor in your plan's network, you'll get:

- \$0 preventive screenings and routine wellness exams
- \$0 immunizations and vaccinations
- \$0 contraceptives
- \$0 three-month supply of generic medications* for ongoing conditions
- \$0 eye exams, lenses and more for children under 19
- In many counties, we have additional savings through our Value Choice Provider program with office visits as low as \$0 copay.

Going to the doctor for preventive care won't raise your monthly premiums!

* Includes medication for diabetes, asthma, high blood pressure and high cholesterol through home delivery.

7 More than just health coverage

With Florida Blue, you'll have extra support to stay well and save money, like:

- Personalized care programs and ongoing health support
- Our Better You Strides³ online wellness and rewards program to help you earn rewards toward your premium while you stay healthy
- Member discounts⁴ of up to 50% on gym fees, nutrition programs and more
- Free health coaching and classes at Florida Blue Centers

2 Personalized service

At Florida Blue, you're more than just a number. We've got specially trained teams standing by to:

- Show you how your benefits work
- Help you choose a doctor, hospital or pharmacy
